All praises, honour and adoration are due to Almighty God, the Alpha and Omega of everything. I thank God for His mercies on all of us since the beginning of this academic session, to Him alone be the glory.

APPRECIATION

My sincere appreciation goes to all our Parents and Teachers for making all our expectations and aspirations achievable. God will continue to enrich your purse.

PTA LEVY

Distinguished Parents, I want to appreciate you for your response towards the payment of all levies, as you are aware that these levies are used as interventions in complimenting governments efforts in providing conducive learning environment for our children. Therefore, it is expedient for every parent to pay all their outstanding debts without further delay. God in His mercy will bless you.

SECURITY

If the Lord does not protect a city, the watchmen labour in vain. We thank God that He has been our shield; our Collège is now fully protected and secured, unlike in the past. I thank our distinguished parents for their contributions toward this cause.
